

RIYAZ KHAN I

Full Stack Developer

+91 9361737613 | riyazzkhan2020@gmail.com | [LinkedIn](#) | [GitHub](#)
Ekkatuthangal, Chennai.

PROFESSIONAL SUMMARY

MERN Full Stack Developer with hands-on experience in building scalable web applications using MongoDB, Express.js, ReactJS, and Node.js. Proficient in designing RESTful APIs, developing responsive user interfaces, and managing NoSQL databases. Strong understanding of the software development lifecycle (SDLC), UI/UX principles, and data-driven application development. Experienced in Agile collaboration with excellent communication, leadership, and problem-solving skills.

EXPERIENCE

Full Stack developer Intern

October 2025 - Present

Why Global Services

Chennai

- Designed and developed intuitive UI/UX prototypes using Figma, delivering responsive and user-friendly interfaces across web applications.
- Built and deployed full-stack MERN applications with RESTful APIs, implementing secure authentication (JWT) and seamless database integration.
- Collaborated in Agile environments to enhance features, optimize performance, debug issues, and ensure cross-browser compatibility.

Software Development Intern

April 2024 – May 2024

Net Tel Solution India Pvt Ltd (NTS)

Coimbatore

- Developed and maintained internal web applications using Python and Django, implementing secure authentication, robust form validation, and efficient CRUD operations.
- Designed and integrated backend logic with databases, ensuring smooth data flow, reliability, and scalability of application features.
- Actively participated in Agile development processes, contributing to sprint planning, daily stand-ups, and collaborative code reviews.
- Performed unit testing, debugging, and performance optimization to enhance application stability, reduce errors, and improve overall user experience.

PROJECTS

Angelic Cakes – AI Powered E-Commerce Platform

January 2026

Tech Stack : HTML, CSS, JavaScript, Tailwind CSS, React.js, Node.js, Express.js, MongoDB

- Developed a full-stack AI-powered e-commerce platform for cake ordering with features like product browsing, customization, and seamless order placement.
- Built responsive UI using React.js and Tailwind CSS, and implemented RESTful APIs with Node.js and Express.js for authentication, product, and order management.

- Integrated AI-driven recommendations and managed MongoDB databases to enhance user experience, personalization, and application scalability.

E-Commerce Price Comparison and Sentiment Analysis

March 2025

Tech Stack : HTML, CSS, ReactJS, Python, Django, MySQL

- Developed a responsive web application to compare product prices across multiple e-commerce platforms, helping users make cost-effective purchasing decisions.
- Implemented backend functionalities using Python and Django, including data processing, API integration, and efficient database management with MySQL.
- Integrated sentiment analysis and built a dynamic dashboard to visualize price trends and customer feedback, enhancing user insights and decision-making

Social Media Network Management

January 2023

Tech Stack : HTML, CSS, JavaScript, MySQL, PHP

- Built a dashboard for managing social media profiles with user analytics features.
- Developed strategy modules for monitoring user engagement and content optimization.

EDUCATION

PSG College of Arts and Science

Coimbatore

Master of Computer Applications | CGPA : 8.4

Aug 2023 – May 2025

C. Abdul Hakeem College of Arts and Science

Vellore

Bachelor of Computer Applications | CGPA : 7.4

Jun 2020 – May 2023

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, HTML5, CSS3.

Frameworks/Libraries/Tools: ReactJS, Node.js, Express.js, Mongoose, Django, Git, GitHub, VS Code, Postman.

Databases: MongoDB, MySQL.

Development Practices: Agile, SDLC, RESTful APIs, CRUD Operations, Version Control.

Soft Skills : Team Collaboration, Adaptability, Technical Feasibility Study and Design.

CERTIFICATION/PUBLICATIONS

- AI Powered Full Stack Development, Why tap, Chennai March 2026
- NPTEL: The Joy of Computing using Python April 2024
- Web Designing – PSGCAS, Coimbatore April 2024
- Python Programming – Apollo Arcot April 2023
- **Publication:** "Techniques to Prevent Eavesdropping on a Wireless Network" – RTIICSM 2024 International Conference.
